Plan to Promote Fairtrade Climate Actions in School

Whatever we do to combat climate change will help everyone in the world

<p>Global Issues in cocoa production areas in Ghana</p>	<p>What can the cocoa farmers do?</p>	<p>What can we do to support the cocoa farmers?</p>
<p>1. Rise in temperature</p>		
<p>2. Variability and reduction in rainfall</p>		
<p>3. Extreme weather events e.g. storms</p>		
<p>Local issues in Devon</p>	<p>What can we do in our schools, homes and communities to adapt to the changing climate and offset our carbon footprint?</p>	
<p>1. Rise in temperature</p>		
<p>2. Erratic rainfall which can cause flooding</p>		
<p>3. More frequent and more extreme weather events such as high winds, thunder storms, heatwaves</p>
